U.S. Patent Application No. 10/751,736

When you are sending to us, please be sure to include a cover sheet with your transmittal and a telephone number where you can be contacted in case of equipment malfunction.

**Transmitted by:**

**Time:**

**IMPORTANT:** The materials transmitted by this facsimile are sent by an attorney or his/her agent, and are considered confidential and are intended only for the use of the individual or entity named. If the addressee is a client, these materials may also be subject to applicable privileges. If the recipient of these materials is not the addressee, or the employee or agent responsible for the delivery of these materials to the addressee, please be aware that any dissemination, distribution or copying of this communication is strictly prohibited. If you have received this communication in error, please immediately notify us at 617.951.9140 (collect) and return the transmitted materials to us at the above address via the U.S. Postal Service. We will reimburse you any costs incurred in connection with this erroneous transmission and your return of these materials. Thank you. Please report problems with reception by calling 617.951.9140.

**US 10/751,736**

**Agenda for interview of October 5, 2006**

The sole outstanding rejection, the enablement rejection of July 10, 2006, will be discussed, including the relevance of a declaration or other evidence that the invention is enabled.
